## 1. THE COLLEGE EMBLEM

GYANA VIGYANA VIMUKTYE: *GyanaVigyanaVimuktye* is the motto of the college. It is a Sanskrit axiom extracted from Upanishads. ‘Gyana’ means knowledge, Vignyana’ is higher and purer form of knowledge and ‘Vimuktye’ is emancipation. So, these three lofty words means that knowledge (Gyana) leads to awareness; higher and purer forms of knowledge (Vigyana) leads to emancipation (Vimuktye) from ignorance. The sole aim of knowledge is freedom from all the causes of ignorance of pain and suffering not only of an individual, community and society but for all living creatures.

The Emblem encompasses a blooming lotus and a radiant sun above it with the flaming sword on the top, placed at the background of a blue sky above and ocean below.

- The Lotus is a symbol of purity, where only wisdom is held.
- The sun signifies glory and brilliance, and the sunshine is a symbol of the power of knowledge.
- The sword represents a celestial weapon that cuts confusion and illusion to invoke wisdom.
- Ocean is the symbol of institution and the blue colour of the sky symbolizes a mystical borderland of wisdom, self-mastery and spiritual realization.

## 10. THE SEMESTER SYSTEM AND ITS IMPORTANCE

The semester system provides an opportunity for students for continuous learning and assessment which leads to a better understanding of the subject. It helps to improve the learning processes so that students get maximum benefit in terms of acquisition of relevant knowledge, skills and attitudes. It trains the students to excel and build up confidence. It also increases institutional attachment. There will be continuous engagement between students and teachers which will result in more focused class interaction. This will inculcate regular study habits among students. Conducting examinations twice a year will mean that students' progress is more regularly evaluated. This would enable a more in-depth study and understanding of their subjects concerned.
