## 7. The Vision of NEP 2020

The National Education Policy 2020 envisions an education system rooted in Indian ethos that contributes directly to transforming India into an equitable and vibrant knowledge society. The Policy aims to provide high-quality education to all, making India a global knowledge superpower.

The curriculum and pedagogy must develop among students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world.

*The vision is to instil a deep-rooted pride in being Indian — in thought, spirit, intellect, and deeds — while also nurturing knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development, and global well-being.*

## 8. Four-Year Undergraduate Programme (FYUGP)

The traditional three-year UG degree has been replaced by a flexible Four-Year Undergraduate Programme (FYUGP). Below are the six key pillars of the new framework.

### 1. Multiple Entry and Multiple Exit (MEME)

Students may exit after Year 1 (Sem 2), Year 2 (Sem 4), or Year 3 (Sem 6) with a valid qualification. Re-entry is permitted within the credit validity period of 7 years as stored in the Academic Bank of Credits (ABC), subject to seat availability.

### 2. Academic Bank of Credits (ABC)

A digital repository that stores academic credits earned by students across institutions, enabling credit transfer, accumulation, and redemption throughout a student's academic journey.

### 3. Choice-Based Credit System

Students choose a Major and a Disciplinary Minor, along with Ability Enhancement Courses (AEC), Skill Enhancement Courses (SEC), Value-Added Courses (VAC), and Multidisciplinary Courses (MDC).

### 4. Integration of Online Learning (SWAYAM)

Up to 40% of the total credit requirement may be earned through MOOCs (Massive Open Online Courses) offered on the SWAYAM platform — an indigenous Government of India initiative.

### 5. Outcome-Based Curriculum

The curriculum is aligned with the National Higher Education Qualification Framework (NHEQF) 2023 and the National Credit Framework (NCrF) 2023. Learning outcomes drive course design at every level.

### 6. Research Orientation

Year 4 introduces a dedicated Research Project or Dissertation, preparing students for postgraduate studies, innovation, and careers in research.

## 9. Credit Requirements & Structure

### 9.1 Credit Requirements Per Year

Year / Semester	NHEQF Level	Credits/Year	Cumulative Credits	Qualification Awarded
Year 1 (Sem 1–2)	4.5	40	40	UG Certificate (+ 4-credit SEC exit course)
Year 2 (Sem 3–4)	5	40	80	UG Diploma (+ 4-credit SEC exit course)
Year 3 (Sem 5–6)	5.5	40	120	Bachelor's Degree
Year 4 (Sem 7–8)	6.9	40	160	Bachelor's Degree with Honours / with Research

### 9.2 What Is a Credit?

Under the National Credit Framework (NCrF), credits are defined as follows:

- 1 Lecture Credit = 1 hour of instruction per week  $\times$  15 weeks = 15 contact hours per semester
- 1 Tutorial Credit = 1 hour per week  $\times$  15 weeks = 15 contact hours per semester
- 1 Practical/Lab/Field Credit = 2 hours per week  $\times$  15 weeks = 30 contact hours per semester

*Each credit also assumes approximately 2 hours of self-study per contact hour, totalling 30–45 notional learning hours per credit.*

## 10. Major Subjects Offered

Major subjects offered with intake capacity

Course	Discipline	Major Subject	Intake Capacity
<b>Four-Year Undergraduate Programmes (FYUG)</b>	Natural and Physical Science	Physics	30
		Botany	30
		Chemistry	30
		Zoology	30
	Mathematics, Statistics and Computer Application	Mathematics	30

Minor subjects and the multidisciplinary course will be assigned by the college during the physical admission process.

## 11. Multiple Entry & Multiple Exit (MEME)

One of the most significant features of NEP 2020 is the provision for Multiple Entry and Multiple Exit (MEME). Students are no longer required to complete the entire programme in one continuous stretch. You may exit at a designated point with a valid qualification, and re-enter later to continue.

### 11.1 Exit Options

Exit After	Credits	Award	Key Conditions
Year 1 (Sem 2)	40	UG Certificate	Minimum 40 credits + 4-credit SEC exit course. No back papers allowed.
Year 2 (Sem 4)	80	UG Diploma	Minimum 80 credits + 4-credit SEC exit course (2 months). No back papers allowed.
Year 3 (Sem 6)	120	Bachelor's Degree	Minimum 120 credits across 6 semesters. No back papers allowed.
Year 4 (Sem 8)	160	Bachelor's Degree (Hons) / with Research	Minimum 160 credits: 40 each at levels 4.5, 5.0, 5.5, and 6.0.

## 11.2 Re-Entry Provisions

- Students who exit may re-enter within 7 years (credit validity) via the Academic Bank of Credits (ABC).
- Re-entry is subject to seat availability and institutional approval.
- Lateral entry is permitted at Year 2 and Year 3 (seat-dependent) and at Year 4 (on merit, minimum 75% aggregate) for students with the corresponding lower qualification.

## 12. SWAYAM — Online Learning

Under NEP 2020, up to 40% of the total credit requirement may be earned through online courses on the SWAYAM platform (Study Webs of Active-learning for Young Aspiring Minds), a Government of India initiative. This enables students to learn from the best national faculty and enriches the curriculum.

### 12.1 How SWAYAM Works

- 1.Certain courses in your semester will be offered through SWAYAM.
- 2.Each department has a designated Swayam Mentor who guides students in course selection and monitors progress.
- 3.Students must register at <https://swayam.gov.in> and enroll in the assigned course when notified.
- 4.Course completion — including SWAYAM-conducted examinations — is credited to the student's academic record.
- 5.Credits earned through SWAYAM must be equivalent to the offline credit value of the courses they replace.

### 12.2 SWAYAM Registration Steps

- 1.Visit <https://swayam.gov.in> and create a free account.
- 2.Search for the course assigned by your Swayam Mentor.
- 3.Enrol during the enrolment window.
- 4.Complete all modules, assignments, and examinations.
- 5.Submit your SWAYAM certificate to the department for official credit recognition.

## 13. Examination & Assessment

The institution follows the NEP-based assessment and evaluation system adopted by Sikkim University. The curriculum emphasises continuous evaluation through formative assessments, complemented by a summative end-term examination for holistic measurement of learning.

### 13.1 Assessment Pattern

- Formative Assessment (FA): Continuous evaluation via assignments, presentations, quizzes, class tests, and projects. Three FAs are conducted (FA-I, FA-II, FA-III); the best two scores count.
- Summative Assessment (SA): End-of-semester examination conducted under the supervision of the Controller of Examinations, Sikkim University.

### 13.2 Mark Distribution by Course Credit

Course Credit	FA-I	FA-II	FA-III	Summative (SA)	Total Marks
4 Credits	25	25	25	50	100
3 Credits	15	20	20	40	75
2 Credits	10	15	15	25	50
